

# MOVE DAY

OCTOBER 21, 2012

September 2012

Dear Ministry Partners,

In the book of 1<sup>st</sup> Corinthians we see the Apostle Paul make the following statement...

“We each carried out our servant assignment. I planted the seed, Apollos watered the plants, but *God* made you grow”  
(1<sup>st</sup> Corinthians 3:5b-6 MSG)

In this passage we see that each of us who are disciples of Jesus have been given a defined role to play in God’s master plan for the salvation of the world. What shape or form that role takes varies according to the giftedness, talents, and calling of the one carrying it out. Each role is equally important, each is equally necessary! For some it’s planting a seed, for others it’s providing water to those seeds not only to sustain them but that they may flourish and grow. While we willingly play our part to the best of our ability, ultimately it’s God who brings the growth, and to Him goes all the glory!

Since its inception 32 years ago, MOVE has sought to be planters of new life! This calling has led us in every geographic direction imaginable, from North to South, and East to West, we’ve traveled and worked, seeking to be a catalyst in leading people to Jesus through Church planting. This was the goal in the beginning, and today, though our methodology has changed with the times, our mission has not.

Each year at this time we ask our partners and friends in ministry to give a special “Birthday Offering” to help provide us the financial resources necessary to not only sustain, but to advance our efforts in Church planting here in the State of Missouri for the coming year. We ask churches to give one dollar (\$1.00) per person of their average attendance, this done so as all churches, whether large or small have the ability to participate. As for our individual partners, we ask you to give what you have purposed in your heart to give; though with this year being our 32<sup>nd</sup> anniversary may we **suggest** multiples of \$32.00 in recognition of this milestone. Our goal for this year’s offering is **\$150,000!**

Those of you familiar with the ministry of MOVE may notice that our goal for this year’s offering is significantly higher than it has been in years past. The reason for this is that beyond helping fund our annual operating expenses this offering will also aid us in launching two new projects which we have planned for the coming year. The first is in **Holts Summit**, north of Jefferson City, and the second is in **Rogersville**, south east of Springfield. Each location is among the fastest growing cities in our state, and neither have a New Testament Christian Church. The task ahead of us is indeed large, but with **GOD** as our **GUIDE** and **YOU** as a **PARTNER, WE CAN DO IT!** **Will you join us in this all important task?**

Until the Whole World Hears,

Jim Kilson
